RE: Lot 348 Ashton Woods

To Whom It May Concern:

Septic Permit ST-16-21-110 Issued to Patrick & Helia Maritato states that it is big enough for a 2-bedroom home, because that is what was put on the application. The system is actually 1200 square foot which is large enough for a 3-bedroom home. If you have any further questions, feel free to reach out to me.
